Tell us a little bit about yourself...

The mission of Synergy Space is to build a collaborative community. As a member of the Competitive Program, you would be encouraged to embody collaboration, challenge your artistry, and grow in your technical ability. What would you bring to the space that embodies and supports the Synergy Space mission? _____

Summarize your past dance training and performance credits. How long have you been dancing? What disciplines/styles have you studied and where? Have you ever been a part of a Competitive Dance Program before? If so, how did you feel about it? _____

What goals do you have for the upcoming season as a performer? What goals do you have for the upcoming season as a technician? How can we help you achieve them? _____

VIDEO SUBMISSION

Along with this form, please submit a 2-3 minute video of you during a recent performance. This may be a solo performance or a group performance (please indicate who/where you are in a group piece). Additionally, you may choose to submit a compilation of different styles or a single style that you feel best represents your current artistic, technical, and performance abilities.

Please submit forms and video to katy@synergy-space.org. Video may be sent via YouTube link, Drop Box, Google photos, or video file.
